**Why would you like to serve on the Board of Directors?**

As a resident of Plano since 2007, I've watched the city grow from a hidden gem to a renowned area to which people are flocking from all over. With this, unfortunately, cost of living has skyrocketed—and our new \$442.86/mo dues aren't helping. Developer-controlled HOAs aren't known for homeowner-friendly budgeting, and we finally have a chance to change that. With an engineering background and a frugal mindset, I'll use technology to find redundant spending, cut costs, streamline processes, and improve transparency and communication within our community. Let's elect homeowners to the board and make Villas of Middleton a place we can be proud to call home!

**Please list previous board position and/ or experience:**

Between 2010 and 2013 I volunteered at the HOA of Pasquinelli's Willow Crest (Ohio Dr & McDermott Rd), where I helped set up a new and improved members' portal, organize neighborhood events, and compose newsletters. While I didn't hold a formal board position, my contributions were instrumental in keeping homeowners connected to the community and maintaining reasonable monthly dues by handling more everyday responsibilities in-house rather than outsourcing them to a management company.

**Issues you feel need to be addressed by the Board of Directors in your community:**

- Audit and trim expenses, outsource fewer tasks, build up reserves, and ensure monthly dues are spent wisely.
- Get to the bottom of the pool situation and, most importantly, keep homeowners updated throughout the process.
- Catch up on long-overdue maintenance, including backyard sprinklers, overgrown trees, and substandard landscaping.
- Improve transparency by involving homeowners in decisions, publishing meeting minutes, and making prompt announcements.
- Boost communication, foster a sense of community, and resume neighborhood newsletters (none sent since 2021).

**Why would you like to serve on the Board of Directors?**

A well managed HOA keeps our neighborhood a pleasant and safe place to live, as well as maintaining our property values. I would be honored to help in this endeavor. In my adult life, I have lived in 11 different neighborhoods throughout the country, with most having very active HOAs. If chosen for the Board of the Villas at Middleton, please know that I have served on 2 different HOA Boards before and so have some experience upon which I can rely.
